

New Vaccine Requirements For 6th Graders

- * meningitis
- * chickenpox vaccine (2 doses)
- * adult tetanus with pertussis (Tdap)

To meet these new requirements, the Ionia County Health Department will be offering these vaccines (along with others) for the month of **JUNE** for students who will be **entering 6th grade for the school year 2010-11**.

These vaccines will be provided **FREE** to those children who:

- *have no insurance
- *are under-insured
- *have a high co-pay

The **only** requirement is the **student must be at least 11 yrs of age**.
