**How does the Ionia
Health Plan work?**

When you enroll in the Ionia Health Plan, you will be assigned a doctor from the list of participating primary care physicians. You will also receive information about how to use Ionia Health Plan services.

Once you are enrolled in the plan, you can start receiving program services. You will receive your Health Plan ID card in about two weeks.

When you call the primary care doctor you are assigned to, tell the office that you are a member of the Ionia Health Plan. Your primary care doctor will provide your care and make arrangements for other covered services as you need them.
